

W5 LATE FLIGHT CLUB

Welcome to our adults-only night.

Here's what you can get up to this evening:

GROUND LEVEL

Get ready for take-off with a refreshing drink from one of our licensed bars! Make sure to visit the Gift Shop before you soar through the night, or touch down at the end of the night to take a little piece of the adventure home.

LEVEL 1

Fuel up with a coffee and snack from the W5 Coffee Lab before taxiing down memory lane with classic board games. Then take off into discovery as you explore the ultimate machine - the human body - in MedLab. Add a playful twist to your evening and stop by for some creative face painting between 7-10pm.

LEVEL 2

Dare to climb to new heights on Climbit, or keep your feet on the ground with a drink from our licensed bar. Then rally your crew and make your way to the Science Bar, where the Forces of Flight show will take you on a high-energy journey through the science of soaring with shows at 7:30pm, 8:30pm and 9:30pm. Our resident DJ will also keep you flying high with an epic soundtrack all night long while you explore the exhibition floors.

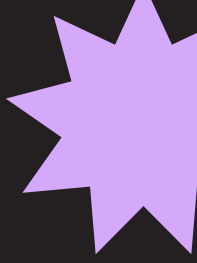

LEVEL 3

Take part in our Flight Challenge to be in with the chance of winning a £200 flight voucher! Challenges will take place at 7pm and 9pm, with the grand final taking place at 9:30pm - don't miss it!

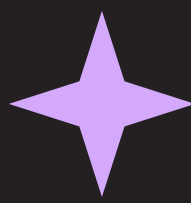

Need a creative pit stop between challenges? Drop into the Puffin Rock Sketch Club and learn to draw Oona, Baba, and friends.

LEVEL 4

Step into AMAZE and prepare for a prehistoric adventure! Grab your friends and encounter towering dinosaurs, snap epic photos, and witness the Jurassic age brought to life.

Keep your adventure soaring across W5's exhibition floors! Strike epic poses in the Vortex, build towering creations that reach new heights, plus so much more.

LEVEL 5

Take to the skies and witness nature's finest flyers in action in the Lecture Theatre at 7:30pm, 8:15pm, and 8:45pm - each bird display is a showstopper! Then, taxi over to Mezz 5 and join our high-flying Speed Quizzing sessions. Think fast, fly faster, and see if you've got what it takes to top the leaderboard at 8pm, 8:45pm, and 9:30pm - each round lasts 20 minutes.
